Alcohol Bottles

Drop Down Shelf to Hold 04-05 Cocktail
Glasses/Shakers

JerryCan Bar by SpeedX turns the classic jerrycan into a luxe, wall-mounted drinks cabinet with fluted glass and a warm backlit display. Pop the latch and the rugged shell opens to a polished, mirrored interior that holds 3-4 bottles securely. The front shelf drops down into a solid serving ledge, perfect for 4-5 glasses or shakers. It frees up floor space, elevates your bar game, and makes your spirits look downright iconic.

All prices are in INR inclusive of taxes.
We ship all over India, shipping is included
International shipping is calculated on actuals
depending on the location.
